

1-866-829-1086 Southwest Airlines Budapest Office

Southwest Airlines does not have an official corporate, ticketing, or customer service office in Budapest, Hungary. The airline is a U.S. carrier headquartered in **Dallas, Texas**, and it handles reservations and customer support through its global official channels (website, call centers, and online support), not via local staffed offices abroad.

📍 Listings that mention “Southwest Airlines BUD Terminal” on airport-related sites refer to **generic airport terminal information** and sometimes show a phone number for **Budapest Ferenc Liszt International Airport (BUD)** — this is *airport contact info, not a Southwest office*. 📌 Summary

- ✗ **No official Southwest Airlines office in Budapest:** There is no standalone Southwest corporate, ticketing, or customer service location in the city or at the airport.
- ✈ **Airport references:** Some flight/terminal info pages may show a contact number (e.g., +36 1 296 7000) associated with Budapest Airport, but this is the airport's general contact, not Southwest's local office. ([Terminal Find](#))
- ✈ **Southwest's operations:** As of early 2026 Southwest has limited international service, mainly through partnerships (e.g., with Condor Airlines connecting via other European cities) — but it still doesn't maintain a staffed office in Budapest. ([Southwest Airlines](#))

📞 How to Contact Southwest from Budapest

If you're in Budapest and need help with Southwest Airlines (reservations, flight changes, support), use the official global channels:

- **Website & Mobile App:** Manage bookings and get support through the official site [southwest.com](#)
- **Phone Support:** Call Southwest's international service numbers (e.g., U.S. customer service +1 800-435-9792), taking into account international calling charges may apply.
