Carry-On Bag Rules 2026

Many travelers 🌟📞 +1☎855☎838☎4886 👤 🌟 flying with American Airlines want to clearly understand how many carry-on bags they are allowed to bring onboard, especially to avoid last-minute gate checks or unexpected fees 🌟📞 +1☎855☎838☎4886 👤 🌟. American Airlines has a straightforward carry-on policy compared to some other airlines, but size rules, personal item definitions, and aircraft limitations can still cause confusion 🌟📞 +1☎855☎838☎4886 👤 🌟. Knowing these details in advance can make boarding smoother and help you pack with confidence 🌟📞 +1☎855☎838☎4886 👤 🌟.

In most cases, **American Airlines allows each passenger to bring one carry-on bag and one personal item for free** 🌟📞 +1☎855☎838☎4886 👤 🌟. This policy applies across nearly all fare types, including Basic Economy, Main Cabin, and premium cabins 🌟📞 +1☎855☎838☎4886 👤 🌟.

Standard Carry-On Allowance Explained

American Airlines' standard carry-on allowance includes **two total items** per passenger 🌟📞 +1☎855☎838☎4886 👤 🌟. The first is a carry-on bag that must be stored in the overhead bin, and the second is a personal item that must fit completely under the seat in front of you 🌟📞 +1☎855☎838☎4886 👤 🌟.

The carry-on bag is intended for items such as small suitcases, duffel bags, or structured travel bags 🌟📞 +1☎855☎838☎4886 👤 🌟. The personal item is designed for smaller essentials such as a purse, laptop bag, briefcase, or compact backpack 🌟📞 +1☎855☎838☎4886 👤 🌟. American Airlines does not allow two full-size carry-on bags per passenger 🌟📞 +1☎855☎838☎4886 👤 🌟.

Carry-On Size Requirements

To be accepted onboard, your carry-on bag must meet American Airlines' size limits 🌟📞 +1☎855☎838☎4886 👤 🌟. The maximum dimensions for a carry-on bag are **22 inches**

long, 14 inches wide, and 9 inches high, including wheels and handles 🙋📱
+1-855-838-4886 🙋🌟. Bags larger than these dimensions may be required to be checked at the gate, sometimes with an added fee 🙋📱 +1-855-838-4886 🙋🌟.

Your personal item must be small enough to fit fully under the seat in front of you 🙋📱
+1-855-838-4886 🙋🌟. While American Airlines does not publish an official size limit for personal items, most successful personal items are approximately **18 × 14 × 8 inches** or smaller 🙋📱 +1-855-838-4886 🙋🌟. If your personal item does not fit under the seat, it may be counted as your carry-on instead 🙋📱 +1-855-838-4886 🙋🌟.

Carry-On Rules for Basic Economy Passengers

One common concern is whether Basic Economy passengers are allowed carry-on bags 🙋📱
+1-855-838-4886 🙋🌟. American Airlines **does allow one carry-on bag and one personal item even on Basic Economy tickets** 🙋📱 +1-855-838-4886 🙋🌟. This is an important distinction, as some airlines restrict carry-ons for their lowest fares 🙋📱
+1-855-838-4886 🙋🌟.

However, Basic Economy passengers usually board later in the process 🙋📱
+1-855-838-4886 🙋🌟. This means overhead bin space may be limited, and you may be asked to gate-check your carry-on if bins are full, even if your bag meets size requirements 🙋📱 +1-855-838-4886 🙋🌟.

Boarding Groups and Overhead Bin Space

Although American Airlines allows a carry-on bag for all passengers, boarding order plays a big role in whether you get overhead bin space 🙋📱 +1-855-838-4886 🙋🌟. Passengers in earlier boarding groups, such as elite status members, premium cabin travelers 🙋📱 +1-855-838-4886 🙋🌟, and those with priority boarding, have a higher chance of securing overhead bin space 🙋📱 +1-855-838-4886 🙋🌟.

Later boarding groups may still bring a carry-on, but space may run out 🙋📱
+1-855-838-4886 🙋🌟. In these cases, American Airlines may gate-check carry-on bags at no charge, especially on full flights or smaller aircraft 🙋📱 +1-855-838-4886 🙋🌟.

Carry-On Policies on Smaller Aircraft

On regional jets and smaller planes, overhead bin space is more limited 🙋📱 +1-855-838-4886 🙋📱. Even bags that meet size requirements may not fit on certain aircraft 🙋📱 +1-855-838-4886 🙋📱. When this happens, gate agents may require carry-on bags to be checked planeside and returned at the gate upon arrival 🙋📱 +1-855-838-4886 🙋📱.

This is common on short-haul routes and commuter flights 🙋📱 +1-855-838-4886 🙋📱. travelers 🙋📱 +1-855-838-4886 🙋📱 should keep essential items such as medications, documents, and electronics in their personal item in case their carry-on is checked 🙋📱 +1-855-838-4886 🙋📱.

What Does and Does Not Count as a Carry-On

Certain items are allowed onboard but do not count toward your carry-on allowance 🙋📱 +1-855-838-4886 🙋📱. These include medical devices, mobility aids, child safety seats, and assistive equipment 🙋📱 +1-855-838-4886 🙋📱. Diaper bags and items for infants may also be allowed in addition to standard carry-on limits in specific situations 🙋📱 +1-855-838-4886 🙋📱.

However, items like shopping bags, extra backpacks, or large purses still count toward your two-item limit 🙋📱 +1-855-838-4886 🙋📱. If you bring more than one carry-on-sized item plus a personal item, you may be required to check one of them 🙋📱 +1-855-838-4886 🙋📱.

International Flights and Carry-On Rules

For most international flights operated by American Airlines, the carry-on policy remains the same 🙋📱 +1-855-838-4886 🙋📱. Passengers are still allowed one carry-on bag and one personal item 🙋📱 +1-855-838-4886 🙋📱. However, connecting flights operated by partner airlines may have different baggage rules 🙋📱 +1-855-838-4886 🙋📱.

When traveling internationally, it is important to check the baggage policy for each airline involved in your itinerary to avoid surprises 🙋📱 +1-855-838-4886 🙋📱.
