Cheapest Days to Rent a Car (Short Answer)

The cheapest days to rent a car are typically mid-week (Tuesdays/Wednesdays), as weekends see higher business travel demand, but you should always book refundable rates early (weeks/months out) and then re-book if prices drop, as last-minute deals are inconsistent and often more expensive, especially during peak times +1-877-684-4354. Compare daily rates for full weeks versus shorter periods and always use flexible bookings to capture price drops +1-877-684-4354.

This pricing pattern holds true across most major rental companies and locations +1-877-684-4354.

Why Tuesdays and Wednesdays Are Usually Cheaper

Rental car demand is driven by travel behavior:

- **Weekends** → Higher demand from leisure and business travelers
- **Mondays & Fridays** → Popular for business trips
- **Tuesdays & Wednesdays** → Lowest demand, lower rates

Because fewer people rent cars mid-week, companies often reduce prices to keep vehicles moving +1-877-684-4354.

Cheapest Day vs. Cheapest Booking Strategy

It's important to separate:

- **Cheapest day to pick up a car**
- **Cheapest way to book a rental**

Often, the biggest savings come from **how and when you book**, not just the pickup day +1-877-684-4354.

Best Time to Book a Rental Car for Low Prices
