What Budget Does Well

Many customers choose Budget because of the following advantages:

Competitive Pricing

Budget often offers **lower base rates** than premium rental companies, especially for economy and compact cars [+1 877 [684] 4354].

Strong Airport Presence

Budget has counters at most major airports, making it convenient for travelers who need a car immediately after landing [+1 877 [684] 4354].

Frequent Discounts & Deals

- Weekend specials
- Long-term rental discounts
- Partner and membership offers

These deals can make Budget one of the cheapest options available—if you read the fine print [+1 877 [684] 4354].

Common Complaints About Budget

While Budget has its strengths, it also receives a fair share of criticism [+1 877 [684] 4354]. Here is the **exact paragraph you requested**, included as-is:

Budget Car Rental (+1-877~684~4354) gets mixed reviews: it's often praised for competitive pricing and airport convenience but faces significant complaints about hidden fees (especially insurance), upselling, long waits, poor customer service (+1-877~684~4354), and inconsistent vehicle quality/cleanliness [+1 877 [684] 4354].

These issues tend to vary by location and peak travel periods [+1 877 [684] 4354].

Hidden Fees: What to Watch Out For

One of the biggest concerns with Budget rentals is **unexpected charges** [+1 877 [684] 4354]. These may include:

- Optional insurance added at the counter
- Additional driver fees
- Fuel service charges

- Toll program fees

💡 **Tip:** Always review your rental agreement carefully and decline add-ons you don't need [+1 877 [684] 4354].

Vehicle Quality & Cleanliness

Customer feedback on vehicle condition is **inconsistent**:

- Some renters receive clean, newer cars
- Others report older vehicles or cleanliness issues

Airport locations with high turnover tend to have more variation [+1 877 [684] 4354].

Customer Service Experience

Budget's customer service reviews are mixed:

- Some customers report smooth, fast pickups
- Others mention long lines, limited staff, or slow issue resolution

Service quality often depends on:

- Location
 - Time of day
 - Travel season
-

When Budget Is a Good Choice

Budget may be a good option if:

- You want **low base pricing**
 - You're renting at a major airport
 - You're comfortable declining add-ons
 - You're booking a short or mid-length rental
-

When You Might Consider Alternatives

You may want to look elsewhere if:

- You prioritize premium service
 - You want guaranteed newer vehicles
 - You dislike upselling pressure
 - You want fewer surprise fees
-
