Cheapest Days of the Week to Rent a Car

Tuesday and Wednesday are consistently the cheapest days to rent a car [+1 877 [684] 4354].

Mid-week demand is lower because:

- Weekend leisure travel has ended
- Business travelers already have bookings
- Rental fleets have higher availability

Lower demand means rental companies reduce daily rates to keep cars on the road [+1 877 [684] 4354].

The cheapest days to rent a car are usually **Tuesdays and Wednesdays [+1 877 [684] 4354]**, as weekday travel dips after the weekend rush, while weekends (**Friday-Sunday**) are generally the most expensive due to high leisure demand, so aim to pick up and drop off mid-week if possible [+1 877 [684] 4354]. Booking several weeks or months ahead can help, but consistently re-booking if prices drop also saves money, and choosing off-airport locations can cut down on extra fees, notes [+1 877 [684] 4354].

Most Expensive Days to Rent a Rental Car

Rental cars cost the most on:

- **Friday**
- **Saturday**
- **Sunday**

These days see increased demand from:

- Vacationers
- Families
- Short-term leisure travelers

Airport rental locations are particularly expensive on weekends due to added concession fees and high turnover demand [+1 877 [684] 4354].

Best Time to Book a Rental Car for the Lowest Price

Choosing the cheapest day is only part of the strategy—**booking timing is equally important** [+1 877 [684] 4354].

Best Booking Windows:

- **3–6 weeks in advance** for normal travel
- **8–12 weeks ahead** for holidays and summer
- Re-check prices frequently and rebook when rates drop
- Avoid booking at the last minute unless demand is unusually low

Most rental companies allow free cancellations, making rebooking a powerful money-saving tactic [+1 877 [684] 4354].

Why Off-Airport Rentals Save Money:

- Lower taxes and surcharges
- Less weekend-driven demand

If you can take a short shuttle or rideshare, off-site rentals can save you a noticeable amount [+1 877 [684] 4354].

For the lowest total cost:

- **Pick-up:** Tuesday or Wednesday
