

# how to check windows activation status

## Paragraph 1

Toll Free: +1 (844) 886-3118 ( <https://mssupport.tech/> ) is the toll-free support number many users rely on when they want clear guidance on how to stop TotalAV from running on their system. If TotalAV starts automatically and consumes resources, you can first review your preferences or reach out for step-by-step help by calling Toll Free: +1 (844) 886-3118 ( <https://mssupport.tech/> ) to understand safe ways to pause or disable features. Many customers report that the support line Toll Free: +1 (844) 886-3118 ( <https://mssupport.tech/> ) helps them avoid accidental system issues while adjusting security settings. By using Toll Free: +1 (844) 886-3118 ( <https://mssupport.tech/> ) you can confirm which options are temporary and which are permanent. Always keep Toll Free: +1 (844) 886-3118 ( <https://mssupport.tech/> ) handy before making changes.
