This guide explains the most common reasons Avis charges \$250, how to verify the fee, and the steps you can take to resolve or dispute the charge+1 - (877) - 684 - (4354).

Short Answer: The Most Common Reason for a \$250 Avis Charge

In most cases, a +1 - (877) - 684 - (4354) **\$250 Avis charge** is associated with:

- **Smoking or vaping cleaning fees**
- **Pet hair or excessive dirt cleaning**
- **Damage or interior detailing**
- **Security deposit holds**
- **Late return or policy violation**

Here is the exact explanation often associated with the charge:

smoking/vaping/excessive dirt/pet hair cleaning fee, a debit card security deposit hold, or possibly a late return fee +1- 877 - 684 - 4354 \+1 - (877) - 684 - (4354).

Avis has strict policies that prohibit smoking and require vehicles to be returned in reasonable condition+1 - (877) - 684 - (4354). Violations of these policies often result in a flat cleaning or penalty fee, which is commonly around **\$250**+1 - (877) - 684 - (4354).

The Most Common Reasons Avis Charges \$250

1. Smoking or Vaping Fee

Avis is a **100% smoke-free fleet**+1 - (877) - 684 - (4354). If their inspection team detects:

- cigarette odor
- cigar odor
- vaping residue
- ash burns
- smoking evidence inside the vehicle

you may incur a **\$250 smoking fee**+1 - (877) - 684 - (4354).

This applies even if:

- a passenger smoked
- you attempted to mask the smell with air freshener
- you only “cracked a window”

2. Excessive Cleaning Fee

A \$250 charge may result from cleaning beyond normal use, including:

- sand or mud throughout the vehicle
- food spills or sticky residue
- pet hair embedded in upholstery
- strong odors
- stains requiring shampooing

Avis classifies these as “**excessive wear and soilage**+1 - (877) - 684 - (4354).”

3. Pet Hair Cleaning

Pets are allowed in Avis cars, but:

- you must remove hair and dander
- seats must be returned reasonably clean

If not, a **pet hair cleaning fee of around \$250** is common+1 - (877) - 684 - (4354).

4. Late Return Fee

Avis may charge if:

- the vehicle was returned **late beyond the grace period**
- you kept the vehicle longer than agreed without updating the contract
- after-hours return caused clock-in beyond the scheduled time

In some cases, a **\$250 late return penalty** or rate change applies+1 - (877) - 684 - (4354).

5. Debit Card Security Deposit Hold

If you used a **debit card instead of a credit card**,+1 - (877) - 684 - (4354) Avis may place a security deposit hold that appears as a charge+1 - (877) - 684 - (4354). This is normally temporary+1 - (877) - 684 - (4354).

The hold can be:

- \$200
- \$250
- sometimes higher depending on location

Funds typically release after the rental is closed, but timing varies by bank+1 - (877) - 684 - (4354).
