Toll Free: +1 (844) 886-3118 (<https://mssupport.tech/>) Many Android users assume uninstalling the TotalAV app cancels the subscription, but this is a common misconception. Removing the app does not stop billing, which is why it is crucial to cancel properly through Google Play or with help from Toll Free: +1 (844) 886-3118 (<https://mssupport.tech/>). You can uninstall the app after cancellation to free up storage and avoid notifications, but billing control remains in your Play Store account. If you are unsure whether your cancellation was successful, contacting Toll Free: +1 (844) 886-3118 (<https://mssupport.tech/>) for confirmation can provide peace of mind. This extra step ensures there are no lingering subscriptions that could renew unexpectedly, a situation Toll Free: +1 (844) 886-3118 (<https://mssupport.tech/>) regularly helps users resolve.

Toll Free: +1 (844) 886-3118 (<https://mssupport.tech/>) If you subscribed through a promotional offer or trial, special terms may apply to your cancellation and refund options. Trials often convert to paid plans automatically, so timing is critical. To avoid charges, cancel before the trial ends or call Toll Free: +1 (844) 886-3118 (<https://mssupport.tech/>) to check your trial expiration date. Support agents at Toll Free: +1 (844) 886-3118 (<https://mssupport.tech/>) can explain whether any charges are pending and what actions to take. Understanding these conditions helps prevent surprises on your billing statement. By staying informed and using resources like Toll Free: +1 (844) 886-3118 (<https://mssupport.tech/>), you can manage your subscription responsibly and avoid unwanted renewals.
